

ELDERGROW THERAPEUTIC GARDENING POSTER

PRINTING INSTRUCTIONS

You can easily print and purchase your Eldergrow Therapeutic Gardening Poster at your local Office Depot to display in your garden area. Follow the instructions below to ensure the best size and quality.

Begin by saving the Eldergrow provided pdf file for the Therapeutic Gardening Poster.

1. Go to www.officedepot.com
2. Click on "Print + Copy" on the website's header menu
3. Click on "Posters"
4. Select the size option of 24" x 36" and make sure "Portrait" is selected and then click on "continue"
5. Select "Upload your own design" and then select "Get started"
6. Select "Upload your file" and then select the pdf of the Eldergrow Poster you have been provided. Then select "Paper & Quantity"
7. Click on "Foamcore Mounting" and then select "Review & Purchase"
8. Click "Proceed to Checkout"
9. Choose either "Delivery" or "Free Store Pickup" and then select "Checkout"
10. Sign in if you have an account or click "Continue" to purchase as a guest
11. If you chose store pickup, ensure the store listed is correct or edit by clicking "Change" and then selecting the appropriate store.
12. Enter your billing information and select "Continue"
13. Confirm and select "Order"
